Install Manager Pro – Protect Your Profits

Automate the Routine

The app automatically creates a Bill of Materials with labor - so your Comfort Consultants can focus on the customer to win more deals.

Protect Your Profits

The app estimates the risk of additional labor and job rollovers – so you won't get robbed of the profits you deserve.

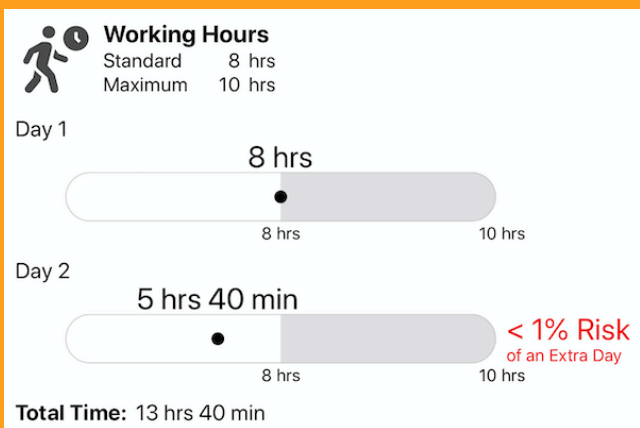

Simplify the Complex

The app checks over 4,700 rules and math formulas for Mitsubishi Electric Trane HVAC ductless brands – so you don't have to worry.

Risk Manager

Based on your standard and maximum overtime hours, the app estimates the risk of a job rollover – extra, unplanned hours or days that destroy profits.

Automated Bill of Materials

The app creates a Bill of Materials for every job. Use our default rules or create your own. You can always add in optional items at the point of sale.
